

PILOT SERIES - GUARD LIGHTS

BL-10 - RO PILOT

Guard light element (blue)

Pilot Series was created to satisfy the needs of illuminating spaces where people must displace without having a lot of light.

For this reason, it is a device to be used as service lighting in theatres or show rooms.

Use of leds makes this product highly energy-

efficient.

10 high bright blue leds are included and it can be supplied directly to 230V 50Hz.

It can be fixed on a wall thanks to an incorporated support.
