

PILOT SERIES - GUARD LIGHTS

BRL-1 PILOT BATTERY

Portable and independent device to signpost stage perimeter (blue and red)

Pilot Series was created to satisfy the needs of illuminating spaces where people must displace without having a lot of light.

Use of leds makes this product highly energy-efficient.

It is specially designed for actors and actresses to

displace on the stage without being seen by the audience. Led colour can be chosen between blue and red.

It has a long battery life before having to be recharged in a single-phase 230-volt 50-hertz power supply. Recharge process is very quick.
